ARTICLE II

MODIFICATIONS TO DECLARATION

The property identified in Article I above, and made subject to said Declaration of March 26, 1971, is hereby made subject to the following modifications to the Declaration:

- A. Article I, Definitions, of the Declaration is amended by adding as subparagraphs 12 and 13 the following definitions:

12. "Committee" shall mean a standing committee of the Association composed of all Owners in Section 2-M, which Committee shall administer and control all of the Limited Common Area in Section 2-M and provide for the exterior maintenance of the dwellings in such section as provided in Article III hereafter.

13. "Limited Common Area" shall mean and refer to any and all real property owned by the Association, or such other property to which the Association may hold legal title whether in fee or for a term of years, which is designated as "Limited Common Area" on any plat or survey of Raintree or any part thereof which shall be of public record. Limited Common Area shall be subject to reasonable rules and regulations which may be established from time to time by the Association or the Committee for the benefit and enjoyment of the Owners of Lots within the Section of Raintree which contains such Limited Common Area and further subject to the provisions of this Declaration and the By-Laws of the Association.

- B. Article III, Association Membership and Voting Rights, is amended by adding thereto Sections Three and Four as follows:

Section Three. Committee Membership.

1. Every person or entity who is the Owner of record of a fee interest in any Lot or who is purchasing one or more Lots under a contract or purchase agreement within Section 2-M shall be a member of the Committee, subject to and bound by the Associations Articles of Incorporation, By-Laws and rules and regulations of the Committee adopted by the Committee. The foregoing is not intended to include persons or entities who hold an interest in any Lot in Section 2-M merely as security for the performance of an obligation. Ownership of such Lot shall be the sole qualification for membership. When any Lot is owned of record in joint tenancy or tenancy in common or by some other legal entity, or when two or more persons or other legal entity is purchasing one or more Lots under a contract or agreement of purchase, the membership as to such Lot(s) shall be joint and the right of such membership (including the voting power arising therefrom) shall be exercised only as stipulated in Section Four hereinafter.

2. During any period in which a member shall be in default in the payment of any annual, special or other periodic assessment levied by the Committee, the voting rights and right to the use of the Limited Common Areas or any other facilities which the Committee may provide shall be suspended by the Committee until such assessment is paid. In the event of violation by a member of any rules or regulations established by the Committee, such member's

voting and use rights may be suspended by the Executive Board of the Committee after a hearing at which the general requirements of due process requirements shall be observed. Such hearing shall only be held by the Executive Board of the Committee after giving member ten (10) days prior written notice specifying each alleged violation and setting the time, place and date of the hearing. Determination of violation shall be made by a majority vote of the Executive Board.

3. No membership or initiation fee shall be charged, nor shall Members be required to pay at any time any amount to carry on the business of the Committee except to pay when due the charges, assessments and special assessments levied upon each Member's Lot as specified in the Declaration, the By-Laws, this Supplemental Declaration or as the Members of the Committee may from time to time hereafter adopt.

Section Four. Voting and Voting Rights.

1. The voting rights of the membership of the Committee shall be appurtenant to the ownership of the Lot. There shall be two classes of Lots with respect to voting rights:

(a) Class A. Class A Lots shall be all Lots except Class B Lots as the same are hereinafter defined. Each Lot in Section 2-M which is designated as a Class A Lot shall have one (1) vote per Lot.

When two or more persons hold an interest (other than a leasehold or security interest) in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised by one of such persons as proxy and nominee for all persons holding an interest in a Lot and in no event shall more than one (1) vote be cast with respect to any Lot.

577
(b) Class B. Class B Lots shall be all Lots owned by Developer which have not been converted to Class A Lots as provided in (1) or (2) below. Developer shall be entitled to three (3) votes for each Class B Lot reserved and designated for the development of a single-family attached dwelling unit (including condominium units). The Class B Lots shall cease to exist and shall be converted to Class A Lots on the happening of either of the following events, whichever first occurs:

(1) When the total number of votes appurtenant to the Class A Lots equals the total number of votes appurtenant to the Class B Lots; or

(2) Ten (10) years from the execution of this Supplemental Declaration. In the case of additional memberships being created by annexation of additional land and the platting of same, the tests of (1) and (2) above shall be applied separately to each portion of the annexed lands and the test under (2) shall be ten (10) years from the time Developer records a supplementary declaration annexing such lands.

2. Any Member who is delinquent in the payment of any charges duly levied by the Committee against a Lot owned by such Member shall not be entitled to vote until all such charges, together with such reasonable penalties as the Committee may impose, have been paid.

3. Members shall vote in person or by proxy executed in writing by the Member. No proxy shall be valid after eleven (11) months from the date of its execution or upon conveyance by the Member of his Lot. A corporate Member's vote shall be cast by the President or a Vice President of the Member corporation or by any other officer or proxy appointed by the President or designated by the Board of Directors of such corporation.

4. Voting on all matters except the election of the Executive Board shall be by voice vote or by show of hands unless a majority of the Members of each Class present at the meeting shall, prior to voting on any matter, demand a ballot vote on that particular matter. Where the Executive Board is to be elected by the Members, the solicitation of proxies for such elections may be conducted by mail.

- C. Article IV, Common Area Property Rights, is amended by adding after Section One thereof the following and renumbering Sections Two and Three as Three and Four respectively:

Section Two. Every Owner in a Section of the Properties containing Limited Common Area shall have a non-exclusive right and easement of enjoyment in and to the Limited Common Area within that Section which shall be appurtenant to and shall pass with the title for every Lot in that Section subject to the provisions of this Declaration and the Charter and By-Laws of the Association, including but not limited to the following:

1. The right of the Committee to limit the use of the Limited Common Area to Owners within that Section, their families, and guests;

2. The right of the Committee to suspend the voting and enjoyment rights with respect to the Limited Common Area of an Owner for any period during which any assessment against his Lot remains unpaid, or for any infraction of reasonable rules and regulations as adopted by the Committee pursuant to the By-Laws.

3. The right of the Committee to dedicate or transfer all or any part of the Limited Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Owners. No such dedication or transfer shall be effective unless the Owners entitled to at least two-thirds (2/3) of the votes appurtenant to Class A Lots and Class B Lots within that Section agree to such dedication or transfer. In such case the Association shall execute and deliver such documents necessary to effectuate such dedication or transfer. This paragraph shall not preclude the Board of Directors of the Association from granting easements for the installation and maintenance of electrical, telephone, cablevision, water and sewerage, utilities and drainage facilities upon, over, under and across the Limited Common Area without the assent of the membership when such easements are requisite for the convenient use and enjoyment of the Properties.

- D. Article IV, Common Area Property Rights, Section Two (now Section Three) of the Declaration is amended as follows:

Section Three. The right and easement of enjoyment granted to every Owner in Section One and Two of this Article may be exercised by members of the Owner's family, and an Owner may delegate his rights of enjoyment in the Common Area or Limited Common Area to his tenants or contract purchasers who occupy the residence of the Owner within the Properties.

- E. Article V, Covenant For Maintenance Assessments, of the Declaration is amended by deleting Sections One, Two, Five and Six and substituting therefore the following:

2. For each Lot owned within Section 2-M in addition to the assessments provided for in subparagraphs 1 (a) and (b) of Section One of this Article V, every Owner of any such Lot covenants, and every subsequent Owner of any such Lot, by acceptance of a deed therefore, whether or not it is so expressed in such deed, is deemed to covenant and agree to pay to the Association for the benefit of the Committee:

2. (a) After the date of filing hereof, the maximum annual assessments levied in accordance with Subsection 1 of this Section Five may be increased or decreased effective January 1 of each year without a vote of the membership in conformance with the rise or decline, if any, of the Consumer Price Index as published by the U. The initial index from which adjustments to future assessments shall be computed shall be the index figure published by the Department of Labor nearest January 1, 1971, and thereafter adjustments shall be computed on the basis of the latest index figure nearest to January 1 of each consecutive year. If the publication of the Consumer Price Index is discontinued, the Association shall use comparable statistics on the cost of living in Charlotte as computed and published by an agency of the United States or by a financial periodical of recognized authority then to be selected by the Association Board of Directors. The Consumer Price Index figure to be utilized is the index figure for all items.

(b) After the date of filing hereof, the annual assessment for the Common Area Maintenance Fund may be increased by the Association Board of Directors to an amount which will be sufficient, in the judgment of the Board, to provide funds required by the Association in carrying out its stated purposes and functions for the ensuing calendar year; provided, however, in no event shall the annual assessment as adjusted by the Board exceed 125 percent of the amount of the annual assessment for the immediately preceding calendar year without the consent and assenting vote of two-thirds of each class of the Association members.

3. After the date of the filing hereof, the annual assessment for the Common Area Maintenance Fund may be increased above the maximum provided in subparagraphs (a) and (b) above and without limitation upon such increase if approved by no less than two-thirds (2/3) of the votes of each Class of membership cast in person or by proxy, at a meeting duly called for this purpose.

4. From and after the date of this Supplemental Declaration, the annual assessment for the Limited Common Area Maintenance Fund may be increased by the Committee to an amount which will be sufficient, in the judgment of the Committee, to provide funds required by the Committee in carrying out its stated purposes and functions for the ensuing calendar year, as set forth in its budget which shall be approved by a majority of the lot owners in Section 2-M and under procedures set forth in the By-Laws.

Section Six. Special Assessments.

The Committee shall have the right to levy special assessments without the consent and assenting vote of the Owners in the event of exterior maintenance or repairs of an extraordinary nature requiring the expenditure of moneys in excess of the Limited Common Area Maintenance Fund then available, provided, however, that such special assessments shall not exceed the amount of such extraordinary expenses.

The cost of reasonable repair and maintenance of the party wall shall be shared by the Owners who make use of the wall in proportion to such use. Whenever a party wall or any part thereof shall be rebuilt, it shall be constructed on the same site and shall be of the same size and of the same or similar materials of like quality as the party wall prior to such repair or reconstruction.

Section Three. Destruction by Fire or Other Casualty.

Each Owner of a Lot upon which a party wall is located shall be entitled to the exclusive ownership and possession of his Lot as shown and described on the recorded plat of the property identified in Article I above, provided Owner shall not do any work which would jeopardize the soundness or safety of the party-wall, reduce the value of the adjoining attached dwelling or impair any easement or other right of the adjoining Lot Owner(s) without in every such case the prior approval and consent of the adjoining Lot Owner affected by such work.

Owner shall also enjoy a non-exclusive easement and the right to the use and benefit of Limited Common Areas including cul-de-sacs and parking areas providing access to Owner's Lot from the nearest dedicated public street, provided, however, Owner's use thereof shall be in accordance with the purpose for which such Limited Common Area improvements were intended - to provide ingress and egress to Owner's Lot - without hindering or encroaching upon the lawful rights of other Owners of the property described in Article I above and the common driveway(s) and cul-de-sacs between Owner's Lot and such dedicated public street shall be used only by Owners of Lots served by such connecting driveway(s) and cul-de-sacs.

Section Two. Maintenance.

In addition to the maintenance of the Limited Common Areas, the Committee shall provide, subject to assessments hereunder, exterior maintenance to the main residential dwelling upon each Lot as follows: paint, repair damage caused by ordinary wear and tear of the elements, stain, varnish, replace and care for roof surfaces, gutters and downspouts (if any), surface water drainage systems located on any Lot, exterior building surfaces and other exterior improvements. Exterior maintenance shall not include glass surfaces, doors (except paint or stain), screen doors and other screens.

Water and sewer service to Section 2-M is currently provided through a master meter and the Committee shall pay for such water and sewer service from the Limited Common Area Maintenance Fund. If, in the future, water and sewer service should be individually metered to each lot, the Owner of each Lot shall bear the cost of his individual charge for water and sewer service and the Limited Common Area Maintenance Assessment shall be reduced by an amount equal to the cost of water and sewer service previously allocated to each Lot as a part of the Limited Common Area Maintenance Assessment.

The Committee shall have the irrevocable right, to be exercised by the members thereof, their agents, employees and designees, to have access to each lot and the improvements thereon from time to time during reasonable hours as may be necessary for the maintenance, repair and replacement herein provided for, or for making emergency repairs therein necessary to prevent damage to the Limited Common Area or to another residential dwelling.

The Committee shall have the irrevocable right, to be exercised by the members thereof, their agents, employees and designees, to have access to each lot and the improvements thereon from time to time during reasonable hours as may be necessary for the maintenance, repair and replacement herein provided for, or for making emergency repairs therein necessary to prevent damage to the Limited Common Area or to another residential dwelling.

Water and sewer service to Section 2-M is currently provided through a master meter and the Committee shall pay for such water and sewer service from the Limited Common Area Maintenance Fund. If, in the future, water and sewer service should be individually metered to each lot, the Owner of each lot shall bear the cost of his individual charge for water and sewer service and the Limited Common Area Maintenance Assessment shall be reduced by an amount equal to the cost of water and sewer service previously allocated to each lot as a part of the Limited Common Area Maintenance Assessment.

In addition to the maintenance of the Limited Common Areas, the Committee shall provide, subject to assessments hereunder, exterior maintenance to the main residential dwelling upon each lot as follows: paint, repair damage caused by ordinary wear and tear of the elements, stain, varnish, repaice and care for roof surfaces, gutters and downspouts (if any), surface water drainage systems and exterior improvements. The Committee shall further provide exterior pick-up service and grass cutting of all grassed areas whether within Owners Lot Lines or in Limited Common Areas. Exterior maintenance shall not include glass surfaces, doors (except paint or stain), screen doors and other screens.

Section Two. Maintenance.

Owner shall also enjoy a non-exclusive easement and the right to the use and benefit of Limited Common Areas including cul-de-sacs and parking areas providing access to Owner's lot from the nearest dedicated public street, provided, however, Owner's use thereof shall be in accordance with the purpose for which such limited Common Area improvements were intended - to provide ingress and egress to Owner's Lot - without hindering or encroaching upon the lawful rights of other Owners of the property described in Article I above and the common driveway(s) and cul-de-sacs between Owner's lot and such dedicated public street shall be used only by Owners of lots served by such connecting driveway(s) and cul-de-sacs.

Section One. Declaration.

Each Owner of a lot upon which a party wall is located shall be entitled to the exclusive ownership and possession of his lot as shown and described on the recorded plat of the property identified in Article I above, provided Owner shall not do any work which would jeopardize the soundness or safety of the party-wall, reduce the value of the adjoining attached dwelling or impair any easement or other right of the adjoining Lot Owner(s) without in every such case the prior approval and consent of the adjoining Lot Owner affected by such work.

2. USE OF LOT; ACCESS

The Law of the State of North Carolina regarding party walls and of liability for property damage due to negligence or willful acts or omissions shall apply.

Section Six. Applicable Law.

4. USE OF COMMON AREAS ADJOINING LOT

No planting or gardening shall be done upon any Limited Common Area adjoining a Lot upon which a dwelling having a party wall as part of the original construction of the improvements made by Developer upon such Lot except as may be approved and permitted by the Committee. It is Developer's intent that the use and enjoyment of all Limited Common Area shall inure to the mutual benefit of all Owners within the property described in Article I above and shall be subject to the Committee's control.

5. EASEMENT(S)

Each Owner of a Lot upon which a party wall as hereinabove defined is located shall have an easement in common with the adjoining Lot Owner(s) to use all pipes, wires, ducts, flues, cables, conduits, and similar public utility lines, if any, located on such adjoining lot and serving Owner's residential dwelling. Each such Lot shall also be subject to an easement in favor of the Owner of any other Lot to use the pipes, wires, ducts, flues, cables, conduits, and similar public utility lines, if any, serving such other Owner's dwelling and located on such Lot.

Each Owner of such Lot upon which a party wall as above described is located shall also have and enjoy the benefit of an easement appurtenant to said Lot through and under that portion or strip of land within the Limited Common Area shown on the recorded map of the property subject hereto or any other recorded map of the subdivision, said easement for the installation and maintenance of storm drainage system and utility lines and laterals serving Owner's Lot. Developer hereby modifies or extinguishes the utility and drainage easements along Owner's Lot lines reserved in said Declaration of March 26, 1971, to the extent that adequate reserved easements are otherwise herein available to Owner. Provided, however, maintenance of all utility lines serving Owner's Lot shall be at Owner's sole cost and expense whether located on Owner's Lot or within the Limited Common Area.

The existing topography of Section 2-M is such that proper surface water drainage of each Lot depends upon preserving the existing topography of all Lots and the Limited Common Area in Section 2-M. Further, the existing topography is such that surface water drains from one or more Lots onto other Lots in undefined areas. Therefore, each Owner of a Lot in Section 2-M shall have and enjoy the benefit of an easement across each Lot in Section 2-M for the drainage of surface water. Each Lot in Section 2-M shall further be subject to an easement for the benefit of all other Lots in Section 2-M to accept surface water drainage from said Lots in whatever location the surface water enters and flows across each Lot. No Lot shall be used or improved in a way which will interfere with the surface water run-off of the Lot or an adjoining Lot and no catch basin or yard inlet located on any Lot shall be altered, closed, fenced or otherwise obstructed in any way by any Owner of a Lot.

6. RIGHT OF ACCESS

Owner of each Lot upon which a party wall is located shall acquire title to such property subject to the irrevocable right of the Committee to have access to such Lot and the dwelling thereon, said right of access solely for the purpose of making emergency repairs or taking such action as may be necessary and required to prevent damage to the Limited Common Area or to another Owner's Lot or dwelling.

7. HAZARD INSURANCE

Each Owner of a Lot upon which a party wall as hereinabove defined is located covenants to secure and maintain in full force and effect at Owner's expense one or more insurance policies. Such policy shall contain waivers of subrogation and any endorsements waiving any defense based on co-insurance or of invalidity arising from

any act(s) of the insured. Such policy shall insure Owner's Lot and the improvements thereon for the full replacement cost thereof, exclusive of excavation and foundation costs, against loss or damage from all hazards and risks normally covered by a standard "extended coverage" policy, including fire and lightning, vandalism and malicious mischief.

Owner shall provide the Committee with satisfactory evidence that such insurance as herein required is in full force and effect and that the Committee will be given thirty (30) days notice prior to the expiration or cancellation of Owner's insurance coverage. In the event Owner fails or refuses to maintain such insurance coverage as herein required, the Committee may, but shall not be obligated to, through its agent or representative, secure and maintain such insurance coverage hereinabove described for Owner's benefit, and the cost or expense thereof shall be deemed a special assessment levied by the Committee against Owner in accordance with Article V, Section Six of this Supplemental Declaration and Owner covenants and agrees to pay to the Committee such special assessment upon demand.

All such hazard insurance policies covering such Lot (and the dwelling thereon) separated from an adjoining Lot by a party wall built as part of the original construction of improvements made thereon by Developer shall be written in the name of Owner with endorsement naming the Committee as additional insured and Trustee for Owner with stipulation that proceeds from such policies for loss or damage to the property be payable to said Committee, its successor or other designee, and such proceeds shall be held for the use and benefit of Owner and adjoining Lot Owners, their respective mortgagees, and the Committee, as their interests may appear, such proceeds to be applied or distributed in accordance with the provision hereinafter set forth. Provided, however, no mortgagee of any such Lot(s) or any dwelling located upon such Lot(s), shall have any right to determine or participate in the determination as to whether or not such Lot and the improvements thereon shall be repaired, replaced or reconstructed.

The Committee may cause a copy of this Article to be delivered to any mortgagee of record of a Lot subject hereto.

Nothing herein contained shall be construed to prohibit Owner(s) of such Lot(s) from carrying other insurance for Owners' benefit provided such policies contain waivers of subrogation and further provided that the liability of the insurance carriers under policies procured by any other Lot Owner(s) shall not be affected or diminished by reason of Owners' other insurance.

8. REPAIR AND RESTORATION

In the event of fire or other disaster to a Lot upon which a party wall as hereinabove defined is located, the proceeds from any insurance obtained by Owner, the Committee, its successor or other designee, or such other Trustee as may come into possession of such proceeds in accordance with the provisions herein or By-Laws of the Association, shall, except as may otherwise be provided herein be applied to the repair, replacement or reconstruction, as the case may be, of the improvements built as part of the original construction of the dwelling on the Lot by Developer. If insurance proceeds are in excess of the cost of repair, replacement or reconstruction, then such excess proceeds shall be paid and distributed by Trustee to Owner and to Owner's mortgagee or mortgagees, as their respective interests may appear. If such proceeds covering the loss or damage are not sufficient to pay for the repair, replacement or reconstruction

of the improvements upon such Lot, the uncovered portion of the rebuilding costs shall be paid by Owner. In case of fire or other disaster to the improvements on any such Lot, Owner shall cooperate with the Committee and shall join in the execution of any document reasonably required to obtain insurance proceeds from Owner's insurer and cause same to be applied to the rebuilding of the dwelling upon Owner's Lot.

9. ADDITIONAL PROPERTY
